EX-GUARD®
WE'VE GOT YOU COVERED!™

XG-D175

Extreme-duty, complete front-end protection for the bumper, fog lights, radiator, CMS, headlights, grille and maximum hood coverage for select set-back axle truck models. Generation 2 design, with sharper bends, curves back towards the truck for increased aerodynamics, resulting in additional fuel efficiency. *DEEP STYLE* Recommended for Mack Anthem (plastic bumper) models only.
