

## Mobile Fleet Services

Where and when you need it.

Save Time | Increase Productivity | Improve Uptime

Bergey's Truck Centers is now offering expert maintenance services through our new Mobile Fleet Services for select areas. While you can find our commercial truck centers across PA, NJ, MD and DE, there are times when it's more convenient and safer to have us come to you. Schedule mobile service at the convenience of your own location to save you time and hassle. Our mobile service units are fully equipped to handle routine preventive maintenance as well as common repair work for both trucks and trailers.

### Standard Mobile Services

- » On-site fleet maintenance repair
- » Diagnostics and repair for engine, emissions, and anti-lock brake systems
- » Preventive maintenance on systems including air drier, transmission, valves, coolant, and power steering
- » General chassis repairs including brakes, air bags, brake chambers, slack adjusters, wheel seals, lighting, and electrical
- » Air conditioning repair
- » General engine repairs including belts, tensioners, coolant leaks, oil leaks, and boost leaks
- » Trained, experienced and certified technicians specializing in Mack, Volvo, and Cummins, as well as other makes of commercial trucks and trailers
- » Warranty repairs for Mack, Volvo, and Autocar yard spotters

### Benefits of Mobile Services

- » Shortened "out of service" time – no waiting on bay and technician availability in the shop
- » Single point of contact for scheduling and repair updates
- » No towing required, we come to you
- » No contract required
- » No mileage or fuel surcharges
- » No port-to-port costs
- » Minimal call-out fee of \$125

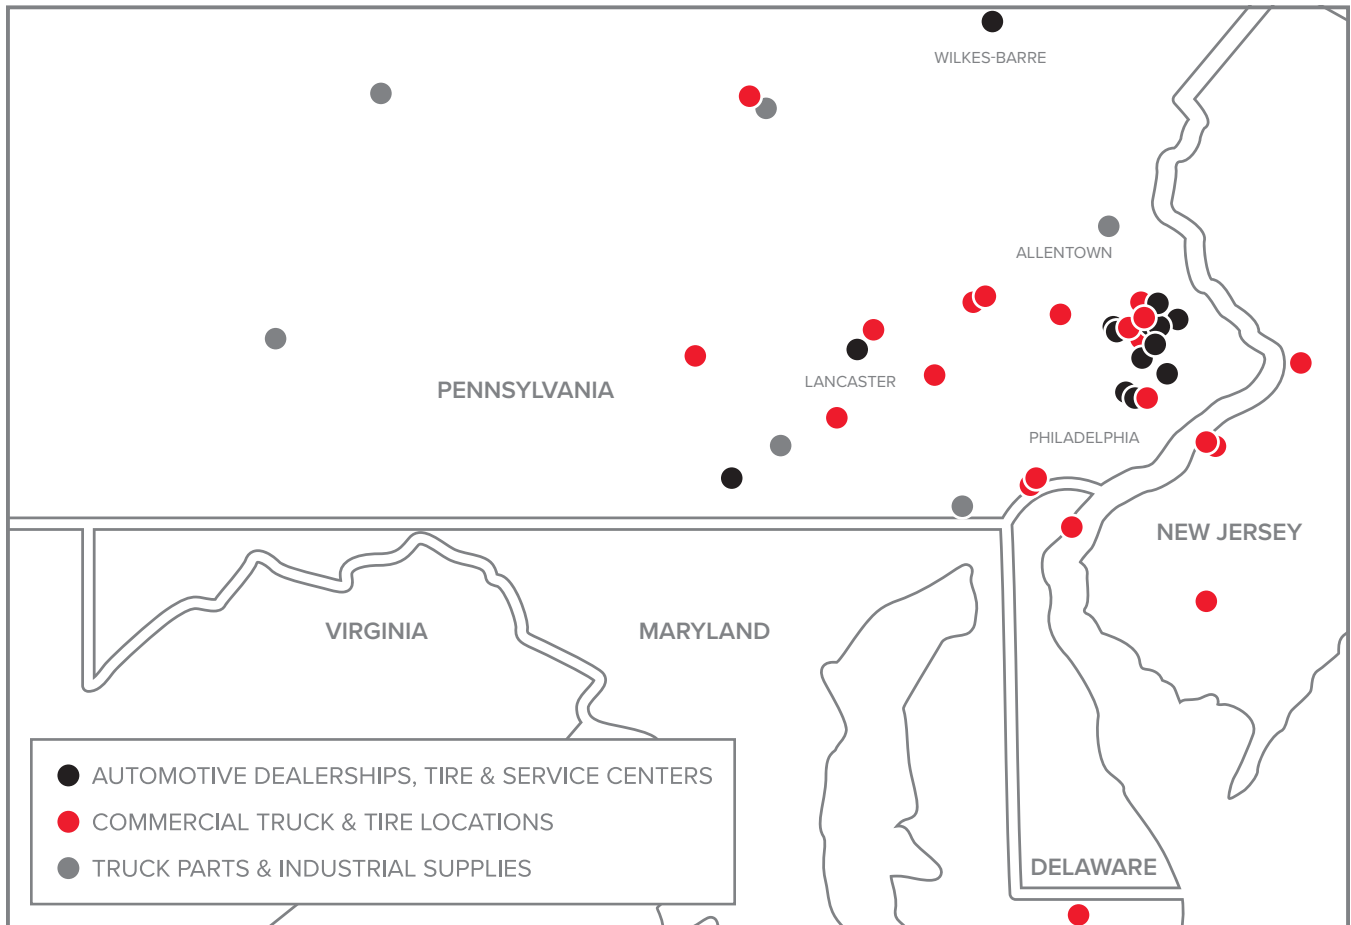

**Contact us today for full details on mobile fleet maintenance.**

We are excited to partner with you so you can keep your fleet moving. Whether you have one truck/trailer or 100+, we can save you time, increase productivity and improve uptime.
